**TRIUMPH TERMS AND CONDITIONS (Revision March 2015)**

All reference to SELLER is Triumph Geo-Synthetics, Inc. and affiliates of Triumph Geo-Synthetics, Inc. All reference to BUYER shall include all subsidiaries and affiliates placing the order.

BUYER shall issue to SELLER a signed sales order or a purchase order for the materials the BUYER is purchasing from Triumph. All quantities for the full execution of any project are the sole responsibility of the BUYER.

All sales to BUYER are subject to these Terms and Conditions, which shall prevail over any inconsistent terms of BUYER'S purchase order or other documents. Additional or different terms and conditions in any way altering or modifying these Terms are expressly objected to and shall not be binding upon SELLER. BUYER'S acceptance of any goods shipped by Triumph will constitute acceptance of Triumph Terms and Conditions. No modification or alteration of these Terms shall result by SELLER'S shipment of goods following receipt of BUYER'S purchase order, or other documents containing additional, conflicting or inconsistent terms. There are no terms, conditions, understandings, or agreements other than those stated herein, and all prior proposals and negotiations are merged herein. These Terms are binding on the Parties, their successors, and permitted assigns.

The delivery date is only an estimate of when the product will be shipped and/or delivered. Every reasonable effort will be made to meet shipment or delivery date stated, but Triumph assumes no liability for loss or damage due to delays or failure to meet any BUYER specified delivery date or quoted delivery date. Quoted price for any product does not expressly include shipping; the cost shall be paid directly by the BUYER. All shipping quotes by common carrier are estimated. Any charges in excess of those quoted will be charged to the BUYER and are the sole responsibility of the BUYER. **SELLER shall not be liable for delay or default in delivery resulting from any cause beyond SELLER'S reasonable control, including, but not limited to, governmental action, strikes or other labor troubles, fire, damage or destruction of goods, wars (declared or undeclared), acts of terrorism, manufacturers' shortages, availability or timeliness of transportation, materials, fuels, or supplies, and acts of God (each a "Force Majeure Event"). Upon the occurrence of a Force Majeure Event: (a) the time for SELLER'S performance shall be extended reasonably and the Parties shall adjust all affected dates accordingly; (b) the purchase price shall be adjusted for any increased costs to SELLER resulting from such Force Majeure Event; and (c) BUYER shall not be entitled to any other remedy.**

When goods are delivered to BUYER in SELLER'S own vehicles, the F.O.B. point shall be BUYER'S designated delivery site. In all other cases the F.O.B. point shall be SELLER'S yard/warehouse or manufacturer's yard/warehouse and all responsibility and costs of shipping and delivery beyond the applicable F.O.B. point shall be borne by BUYER. Title and risk of loss shall pass to BUYER at the applicable F.O.B. point, which for goods not delivered in Seller's own vehicles shall be when SELLER delivers the goods to the common carrier.

All claims for shortage of goods or for loss or damage to goods as to which SELLER has the risk of loss shall be waived unless BUYER, within five (5) calendar days after receipt of the short or damaged shipment, gives SELLER written notice fully describing the alleged shortage or damage. BUYER should have representative accepting products sign for goods and note on the Bill of Lading any shortages or damaged goods. Partial shipments are permitted at SELLER'S discretion with notice to BUYER.

Warranties – Triumph Geo-Synthetics, Inc. is a reseller of goods only, and does not provide any warranty. SELLER shall pass through to BUYER any transferable manufacturer's standard warranties with respect to goods purchased hereunder. BUYER and persons claiming through BUYER shall seek recourse exclusively from manufacturers in connection with any defects in or failures of goods, and this shall be the exclusive recourse of BUYER and persons claiming through buyer for defective goods, whether the claim of BUYER or the person claiming through buyer shall sound in contract, tort, strict liability, pursuant to statute, or for negligence. BUYER shall pass these terms to subsequent buyers and users of goods. SELLER excludes and disclaims all other express and implied warranties, including, but not limited to, all implied warranties of merchantability and fitness for a particular purpose. SELLER assumes no responsibility whatsoever for SELLER'S interpretation of plans or specifications provided by BUYER, and BUYER'S acceptance and use of goods supplied hereunder shall be premised on final approval by BUYER or by BUYER'S reliance on architects, engineers, or other third parties rather than on SELLER'S interpretation. to the extent not prohibited by applicable law, in no event, whether in contract, warranty, indemnity, tort (including, but not limited to, negligence), strict liability or otherwise, arising directly or indirectly out of the performance or breach of these terms, shall SELLER be liable for (a) any incidental, indirect, punitive, special, consequential or similar damages such as loss of use, lost profits, attorneys' fees or delay damages, even if such damages were foreseeable or caused by SELLER'S breach of this agreement, (b) any claim that properly is a claim against the manufacturer, or (c) any amount exceeding the amount paid to SELLER for goods furnished to BUYER which are the subject of such claim(s). All claims must be brought within one year of accrual of a cause of action.

Any change in product specifications, quantities, destinations, shipping schedules, or any other aspect of the scope of goods must be agreed to in writing by SELLER, and may result in a price and delivery adjustment by SELLER. No credit for goods returned by BUYER shall be given without SELLER'S written Return Material Authorization (RMA). All returns are subject to a restocking charge of 25% plus freight charges for both the delivery and the return.

Unless otherwise agreed in writing, payment terms are Net 30 from day of receipt of material. All orders are subject to SELLER'S continuing approval of BUYER'S credit. If BUYER'S credit is not approved or becomes unsatisfactory to SELLER then SELLER, in its sole discretion, may suspend or cancel performance, or require different payment terms, including but not limited to cash on delivery or in advance of shipment. In addition, SELLER may in its discretion require an advance deposit of up to 100% of SELLER'S selling price for any specially manufactured goods ordered by BUYER hereunder. Payments due hereunder shall be made in the form of cash, check, or money order, or other tender approved in writing by SELLER. SELLER may, in its sole discretion, apply BUYER'S payment against any open charges.

Past due accounts bear interest at the lesser of 1.5% per month or the maximum rate permitted by applicable law, continuing after SELLER obtains judgment against BUYER. SELLER may exercise setoff or recoupment to apply to or satisfy BUYER'S outstanding debt. BUYER shall have no right of setoff hereunder, the same being expressly waived hereby.

BUYER shall pay SELLER all costs and expenses of collection, suit, or other legal action brought as a result of the commercial relationship between them, including, but not limited to, all actual attorneys' and paralegals' fees, and collection costs, incurred pre-suit, through trial, on appeal, and in any administrative or bankruptcy proceedings. Any cause of action that SELLER has against BUYER may be assigned without BUYER'S consent to SELLER.

BUYER shall indemnify, defend, and hold SELLER its officers, directors, employees and agents harmless from any and all costs (including attorneys' and accountants' fees and expenses), liabilities and damages resulting from or related to any third party (including BUYER'S employees) claim, complaint and/or judgment arising from BUYER'S use of any goods furnished hereunder, as well as any negligent, intentional, or tortious act or omission of BUYER or any material breach by BUYER of these Terms.

**TRIUMPH TERMS AND CONDITIONS (**  
**Revision March 2015)**

All reference to SELLER is Triumph Geo-Synthetics, Inc. and affiliates of Triumph Geo-Synthetics, Inc. All reference to BUYER shall include all subsidiaries and affiliates placing the order.

BUYER shall issue to SELLER a signed sales order or a purchase order for the materials the BUYER is purchasing from Triumph. All quantities for the full execution of any project are the sole responsibility of the BUYER.

All sales to BUYER are subject to these Terms and Conditions, which shall prevail over any inconsistent terms of BUYER'S purchase order or other documents. Additional or different terms and conditions in any way altering or modifying these Terms are expressly objected to and shall not be binding upon SELLER. BUYER'S acceptance of any goods shipped by Triumph will constitute acceptance of Triumph Terms and Conditions. No modification or alteration of these Terms shall result by SELLER'S shipment of goods following receipt of BUYER'S purchase order, or other documents containing additional, conflicting or inconsistent terms. There are no terms, conditions, understandings, or agreements other than those stated herein, and all prior proposals and negotiations are merged herein. These Terms are binding on the Parties, their successors, and permitted assigns.

The delivery date is only an estimate of when the product will be shipped and/or delivered. Every reasonable effort will be made to meet shipment or delivery date stated, but Triumph assumes no liability for loss or damage due to delays or failure to meet any BUYER specified delivery date or quoted delivery date. Quoted price for any product does not expressly include shipping; the cost shall be paid directly by the BUYER. All shipping quotes by common carrier are estimated. Any charges in excess of those quoted will be charged to the BUYER and are the sole responsibility of the BUYER. **SELLER shall not be liable for delay or default in delivery resulting from any cause beyond SELLER'S reasonable control, including, but not limited to, governmental action, strikes or other labor troubles, fire, damage or destruction of goods, wars (declared or undeclared), acts of terrorism, manufacturers' shortages, availability or timeliness of transportation, materials, fuels, or supplies, and acts of God (each a "Force Majeure Event"). Upon the occurrence of a Force Majeure Event: (a) the time for SELLER'S performance shall be extended reasonably and the Parties shall adjust all affected dates accordingly; (b) the purchase price shall be adjusted for any increased costs to SELLER resulting from such Force Majeure Event; and (c) BUYER shall not be entitled to any other remedy.**

When goods are delivered to BUYER in SELLER'S own vehicles, the F.O.B. point shall be BUYER'S designated delivery site. In all other cases the F.O.B. point shall be SELLER'S yard/warehouse or manufacturer's yard/warehouse and all responsibility and costs of shipping and delivery beyond the applicable F.O.B. point shall be borne by BUYER. Title and risk of loss shall pass to BUYER at the applicable F.O.B. point, which for goods not delivered in Seller's own vehicles shall be when SELLER delivers the goods to the common carrier.

All claims for shortage of goods or for loss or damage to goods as to which SELLER has the risk of loss shall be waived unless BUYER, within five (5) calendar days after receipt of the short or damaged shipment, gives SELLER written notice fully describing the alleged shortage or damage. BUYER should have representative accepting products sign for goods and note on the Bill of Lading any shortages or damaged goods. Partial shipments are permitted at SELLER'S discretion with notice to BUYER.

Warranties – Triumph Geo-Synthetics, Inc. is a reseller of goods only, and does not provide any warranty. SELLER shall pass through to BUYER any transferable manufacturer's standard warranties with respect to goods purchased hereunder. BUYER and persons claiming through BUYER shall seek recourse exclusively from manufacturers in connection with any defects in or failures of goods, and this shall be the exclusive recourse of BUYER and persons claiming through buyer for defective goods, whether the claim of BUYER or the person claiming through buyer shall sound in contract, tort, strict liability, pursuant to statute, or for negligence. BUYER shall pass these terms to subsequent buyers and users of goods. SELLER excludes and disclaims all other express and implied warranties, including, but not limited to, all implied warranties of merchantability and fitness for a particular purpose. SELLER assumes no responsibility whatsoever for SELLER'S interpretation of plans or specifications provided by BUYER, and BUYER'S acceptance and use of goods supplied hereunder shall be premised on final approval by BUYER or by BUYER'S reliance on architects, engineers, or other third parties rather than on SELLER'S interpretation. to the extent not prohibited by applicable law, in no event, whether in contract, warranty, indemnity, tort (including, but not limited to, negligence), strict liability or otherwise, arising directly or indirectly out of the performance or breach of these terms, shall SELLER be liable for (a) any incidental, indirect, punitive, special, consequential or similar damages such as loss of use, lost profits, attorneys' fees or delay damages, even if such damages were foreseeable or caused by SELLER'S breach of this agreement, (b) any claim that properly is a claim against the manufacturer, or (c) any amount exceeding the amount paid to SELLER for goods furnished to BUYER which are the subject of such claim(s). All claims must be brought within one year of accrual of a cause of action.

Any change in product specifications, quantities, destinations, shipping schedules, or any other aspect of the scope of goods must be agreed to in writing by SELLER, and may result in a price and delivery adjustment by SELLER. No credit for goods returned by BUYER shall be given without SELLER'S written Return Material Authorization (RMA). All returns are subject to a restocking charge of 25% plus freight charges for both the delivery and the return.

Unless otherwise agreed in writing, payment terms are Net 30 from day of receipt of material. All orders are subject to SELLER'S continuing approval of BUYER'S credit. If BUYER'S credit is not approved or becomes unsatisfactory to SELLER then SELLER, in its sole discretion, may suspend or cancel performance, or require different payment terms, including but not limited to cash on delivery or in advance of shipment. In addition, SELLER may in its discretion require an advance deposit of up to 100% of SELLER'S selling price for any specially manufactured goods ordered by BUYER hereunder. Payments due hereunder shall be made in the form of cash, check, or money order, or other tender approved in writing by SELLER. SELLER may, in its sole discretion, apply BUYER'S payment against any open charges.

Past due accounts bear interest at the lesser of 1.5% per month or the maximum rate permitted by applicable law, continuing after SELLER obtains judgment against BUYER. SELLER may exercise setoff or recoupment to apply to or satisfy BUYER'S outstanding debt. BUYER shall have no right of setoff hereunder, the same being expressly waived hereby.

BUYER shall pay SELLER all costs and expenses of collection, suit, or other legal action brought as a result of the commercial relationship between them, including, but not limited to, all actual attorneys' and paralegals' fees, and collection costs, incurred pre-suit, through trial, on appeal, and in any administrative or bankruptcy proceedings. Any cause of action that SELLER has against BUYER may be assigned without BUYER'S consent to SELLER.

BUYER shall indemnify, defend, and hold SELLER its officers, directors, employees and agents harmless from any and all costs (including attorneys' and accountants' fees and expenses), liabilities and damages resulting from or related to any third party (including BUYER'S employees) claim, complaint and/or judgment arising from BUYER'S use of any goods furnished hereunder, as well as any negligent, intentional, or tortious act or omission of BUYER or any material breach by BUYER of these Terms.

**TRIUMPH TERMS AND CONDITIONS (**  
**Revision March 2015)**

All reference to SELLER is Triumph Geo-Synthetics, Inc. and affiliates of Triumph Geo-Synthetics, Inc. All reference to BUYER shall include all subsidiaries and affiliates placing the order.

BUYER shall issue to SELLER a signed sales order or a purchase order for the materials the BUYER is purchasing from Triumph. All quantities for the full execution of any project are the sole responsibility of the BUYER.

All sales to BUYER are subject to these Terms and Conditions, which shall prevail over any inconsistent terms of BUYER'S purchase order or other documents.

Additional or different terms and conditions in any way altering or modifying these Terms are expressly objected to and shall not be binding upon SELLER. BUYER'S acceptance of any goods shipped by Triumph will constitute acceptance of Triumph Terms and Conditions. No modification or alteration of these Terms shall result by SELLER'S shipment of goods following receipt of BUYER'S purchase order, or other documents containing additional, conflicting or inconsistent terms. There are no terms, conditions, understandings, or agreements other than those stated herein, and all prior proposals and negotiations are merged herein. These Terms are binding on the Parties, their successors, and permitted assigns.

The delivery date is only an estimate of when the product will be shipped and/or delivered. Every reasonable effort will be made to meet shipment or delivery date stated, but Triumph assumes no liability for loss or damage due to delays or failure to meet any BUYER specified delivery date or quoted delivery date. Quoted price for any product does not expressly include shipping; the cost shall be paid directly by the BUYER. All shipping quotes by common carrier are estimated. Any charges in excess of those quoted will be charged to the BUYER and are the sole responsibility of the BUYER. **SELLER shall not be liable for delay or default in delivery resulting from any cause beyond SELLER'S reasonable control, including, but not limited to, governmental action, strikes or other labor troubles, fire, damage or destruction of goods, wars (declared or undeclared), acts of terrorism, manufacturers' shortages, availability or timeliness of transportation, materials, fuels, or supplies, and acts of God (each a "Force Majeure Event"). Upon the occurrence of a Force Majeure Event: (a) the time for SELLER'S performance shall be extended reasonably and the Parties shall adjust all affected dates accordingly; (b) the purchase price shall be adjusted for any increased costs to SELLER resulting from such Force Majeure Event; and (c) BUYER shall not be entitled to any other remedy.**

When goods are delivered to BUYER in SELLER'S own vehicles, the F.O.B. point shall be BUYER'S designated delivery site. In all other cases the F.O.B. point shall be SELLER'S yard/warehouse or manufacturer's yard/warehouse and all responsibility and costs of shipping and delivery beyond the applicable F.O.B. point shall be borne by BUYER. Title and risk of loss shall pass to BUYER at the applicable F.O.B. point, which for goods not delivered in Seller's own vehicles shall be when SELLER delivers the goods to the common carrier.

All claims for shortage of goods or for loss or damage to goods as to which SELLER has the risk of loss shall be waived unless BUYER, within five (5) calendar days after receipt of the short or damaged shipment, gives SELLER written notice fully describing the alleged shortage or damage. BUYER should have representative accepting products sign for goods and note on the Bill of Lading any shortages or damaged goods. Partial shipments are permitted at SELLER'S discretion with notice to BUYER.

Warranties - Triumph Geo-Synthetics, Inc. is a reseller of goods only, and does not provide any warranty. SELLER shall pass through to BUYER any transferable manufacturer's standard warranties with respect to goods purchased hereunder. BUYER and persons claiming through BUYER shall seek recourse exclusively from manufacturers in connection with any defects in or failures of goods, and this shall be the exclusive recourse of BUYER and persons claiming through buyer for defective goods, whether the claim of BUYER or the person claiming through buyer shall sound in contract, tort, strict liability, pursuant to statute, or for negligence. BUYER shall pass these terms to subsequent buyers and users of goods. SELLER excludes and disclaims all other express and implied warranties, including, but not limited to, all implied warranties of merchantability and fitness for a particular purpose. SELLER assumes no responsibility whatsoever for SELLER'S interpretation of plans or specifications provided by BUYER, and BUYER'S acceptance and use of goods supplied hereunder shall be premised on final approval by BUYER or by BUYER'S reliance on architects, engineers, or other third parties rather than on SELLER'S interpretation. to the extent not prohibited by applicable law, in no event, whether in contract, warranty, indemnity, tort (including, but not limited to, negligence), strict liability or otherwise, arising directly or indirectly out of the performance or breach of these terms, shall SELLER be liable for (a) any incidental, indirect, punitive, special, consequential or similar damages such as loss of use, lost profits, attorneys' fees or delay damages, even if such damages were foreseeable or caused by SELLER'S breach of this agreement, (b) any claim that properly is a claim against the manufacturer, or (c) any amount exceeding the amount paid to SELLER for goods furnished to BUYER which are the subject of such claim(s). All claims must be brought within one year of accrual of a cause of action.

Any change in product specifications, quantities, destinations, shipping schedules, or any other aspect of the scope of goods must be agreed to in writing by SELLER, and may result in a price and delivery adjustment by SELLER. No credit for goods returned by BUYER shall be given without SELLER'S written Return Material Authorization (RMA). All returns are subject to a restocking charge of 25% plus freight charges for both the delivery and the return.

Unless otherwise agreed in writing, payment terms are Net 30 from day of receipt of material. All orders are subject to SELLER'S continuing approval of BUYER'S credit. If BUYER'S credit is not approved or becomes unsatisfactory to SELLER then SELLER, in its sole discretion, may suspend or cancel performance, or require different payment terms, including but not limited to cash on delivery or in advance of shipment. In addition, SELLER may in its discretion require an advance deposit of up to 100% of SELLER'S selling price for any specially manufactured goods ordered by BUYER hereunder. Payments due hereunder shall be made in the form of cash, check, or money order, or other tender approved in writing by SELLER. SELLER may, in its sole discretion, apply BUYER'S payment against any open charges.

Past due accounts bear interest at the lesser of 1.5% per month or the maximum rate permitted by applicable law, continuing after SELLER obtains judgment against BUYER. SELLER may exercise setoff or recoupment to apply to or satisfy BUYER'S outstanding debt. BUYER shall have no right of setoff hereunder, the same being expressly waived hereby.

BUYER shall pay SELLER all costs and expenses of collection, suit, or other legal action brought as a result of the commercial relationship between them, including, but not limited to, all actual attorneys' and paralegals' fees, and collection costs, incurred pre-suit, through trial, on appeal, and in any administrative or bankruptcy proceedings. Any cause of action that SELLER has against BUYER may be assigned without BUYER'S consent to SELLER.

BUYER shall indemnify, defend, and hold SELLER its officers, directors, employees and agents harmless from any and all costs (including attorneys' and accountants' fees and expenses), liabilities and damages resulting from or related to any third party (including BUYER'S employees) claim, complaint and/or judgment arising from BUYER'S use of any goods furnished hereunder, as well as any negligent, intentional, or tortious act or omission of BUYER or any material breach by BUYER of these Terms.
